Project: Sheridan Crossing – AAA Vanilla Box

Dear Ken,

In a recent job closeout meeting we were told by Harry McGraw, our Superintendent, that your company and on-site crew performed their job above and beyond expectations.

As you may or may not be aware, about 90% of our projects come through repeat clients and referrals. The only way that we can maintain this ratio is by consistently delivering a superior product for each of our clients. You continue to be a valuable part of our team and your contributions allow Mendel and Company to pursue our goal of “Building Relationships.”

We would like to take this opportunity to say “Thank you” and let you know how much you and your company’s work ethic and dedication are appreciated.

Sincerely,
